Dear Sir:

Will you kindly have a representative either call on me or telephone me on Thursday morning of this week with information about a blanket bond. We are bonding four of our employees in the sum of $8,000. total, and have two other employees bonded for $5,000. each. I am informed that it is possible to procure a blanket bond which is less expensive than in individual form. I should be glad to have information regarding this.

Very truly yours,

Secretary.

Dear Sir:-

Our Mr. Meredith has reported to me his interview with you yesterday with reference to fidelity bonds covering such employees and/or officers of your organization as you feel should be bonded to give you reasonable protection against the possibility of irregularities occuring in the conduct of such employees.

Under a schedule form of bond your Society would be entitled to a rate of $2.50 per thousand per annum which rate is the cheapest that our Fidelity Manual provides, and the rate is possible in your case because of the character of your Society.

Mr. Meredith tells me that it has been suggested that you cover these employees to the amount of $18,000. I am enclosing you herewith an application form for you to fill in when you have determined that you will take this coverage, on which you will please list the names of the employees and the amount for which you desire each to be covered. I understand that you, in making the change, will wish it to be effective as of January 1st.

The terms of the fidelity schedule bond are elastic, and at any time you may increase or decrease the amounts on the employees named, or you may add new names to the list. All of which will be pro rated and your premium readjusted on a pro rata basis.

You will be permitted to cancel the present individual bonds that you have and will be allowed a pro rata return premium on each of them, and the return being applicable to the premium that would accrue on the new coverage.

I am sure that you will find this much more satisfactory in that you will have but one bond and but one expiration.

Regarding the employees that you may desire to have covered, it will not be necessary for each of them to fill in applications insomuch as they have been in your employ some time, and you believe that you are well aware of their character. On the other hand, if you feel that you would like to have us make an investigation, you may have these present employees make application and we will investigate their standing, and if anything derogatory should be discovered, you will be notified.

On new employees that you take on in the future and wish to add to the bond, it is extremely important that we make an investigation, and to enable us to do so, we would require each to make an application for investigation purposes.

We are very glad indeed to make this recommendation to you and hope that as soon as you have decided, you will advise us as to your wishes. Awaiting such expression of your desires, and thanking you very kindly for past favors, I am,

Very truly yours,

FCW/FD.

Dear Sir:-

RE: S 16721 GLOBE INDEMNITY COMPANY

The anniversary date of the above fidelity schedule bond being January 1st next, I am sending a list showing the present coverage.

If you will be good enough to check this and advise us if you desire any changes, it will be appreciated.

I regret having to advise you that in October, last there was a general revision in rates applicable to fidelity and surety bonds.

The rate applicable to your schedule on the present basis will be $5. per $1000. The total liability is now $18,000.

If you should desire to increase this liability to $30,000. you would be entitled to the benefit of the rate of $3.50 per $1000. In otherwords, you could get $12,000. additional liability for an additional premium of $15.00.

We shall be glad to call and discuss this in person if my letter is not clear.

Thanking you very kindly for past favors, and hoping to be favored with the continuance of this business, I am,

Very truly yours,

FD.

Dear Mr. Wood:-

I approve of your suggestion to drop the Fidelity bond on Miss Cox, and to place a bond of $1,000. covering Miss Grimes, and you have my consent to go ahead and renew the bond as before, with this change. But, I do feel the Council should approve it, inasmuch as they fixed the amounts before. You can put it in your report for next week, and say I agreed with you, and I am sure the Council will agree thereto.

Very truly,

Re: S 16721 Globe Indemnity Co.

Referring to your letter of December 21st, the following revision of our indemnity policy is desired. Miss Cox is no longer in our employ and we desire to substitute the name of Miss Janet Grimes, but in the sum of $1,000.00 rather than that fixed for Miss Cox. Will you kindly make this substitution and continue the bond from the first of January 1932 as you propose, rendering us your bill in due course.

Very truly yours,
